

Harness the Power of The Sun

Come to the next *Sustainable Green Lake* Monthly Gathering to learn about the benefits and challenges of solar energy in the Pacific Northwest and and get answers to your solar-related questions.

**Tuesday, September 15th 2009
6:30 pm - 8:30 pm**

6:30 - Potluck | 7:00 Presentation | 8:00 Community

**Bethany Community Church
8023 Green Lake Drive N**

Featuring a presentation by Dave Kozin, the Director of Seattle-based A&R Solar, a certified PV designer and Solar Washington board member.

Please come by foot, bike or bus. Bring a plate, cup, silverware and some food to share!
